

101 help

for travelling with kids in SE Asia

Q

Is SE Asia safe to travel with kids?

Not only safe...it's awesome! Exciting activities, stunning scenery and intriguing history. Plus it's incredibly friendly because families are super important to the people of SE Asia, they love kids and always make an extra special effort to make sure families have a fun..and safe time.

A

Q

Is there enough cool stuff to keep the kids going and the parents interested?

Let's start with the fun transport options - overnight junks, sampans, basket boats, kayaks, SUP boards, jeep rides, vespas, overnight trains and cable cars. Exciting activities - abseiling, rock climbing, parasailing, jet skiing, river rafting, cave exploring, cooking classes, craft making, trekking, street food tours and homestays. Instagramable scenes - rice paddies, limestone karsts, infinity pools, water buffalos, ethnic minorities, crazy traffic, conical hats, tranquil rivers, waterfalls, forests, beaches, events and festivals. It really is endlessly fascinating.

A

Q

The budget is tight, what can we do?

Our team knows all the accommodation tricks and "must do's to meet your clients needs. We can keep the accommodation lean, 3 to 3.5 star accommodation to offer fantastic value. Include an overnight train ride to inject some fun and save some cash. Pick & choose the 'must do' activities to manage the budget.

A

Q

Are the kids going to get ill?

A dose of Bali belly and a tropical rash"? Unlikely, however a change in diet can sometimes cause a tummy twitch, but there are many options for familiar Western foods in SE Asia to keep the kids happy.
